Strategy

Uphold the mission and vision of the organization while driving direction through strategic planning, decision-making, and data.

Structure

Work closely with the Board of Directors, Executive Committee, and staff to ensure progress toward goals, collaborations, and management.

Process

Directors work with Executive Director, Committees, and staff to manage implementation and execution of the action plans to meet the goals of the organization.

Implementation

Staff manages the implementation and execution of all action plans and projects with the help of Staff Resources and outside platforms.
